CANDIDATE'S OWN WORDS

Describe yourself: I am a fairly calm person who wants to learn as much as possible new things. I like to do what I do with great pleasure and I am always available to offer more and more confidence and attention to what I do. I like to experience new things and learn something new. I like to work, to have responsibilities and to always advance more and more.

Why do you want to work on a farm? I have worked in Denmark before. I really like the spirit of the people and how good they are to each other.
